Facility Use Policy

The Grace Redeemer Church (“GRC”) facility is a visible extension of the GRC church body, and a ministry asset requiring oversight and stewardship. In addition to the meeting times for worship and other activities of GRC, the facility is often requested for use by church members, attendees, and community groups for various ministries and functions. “Use” may in some cases include approved and permitted storage of items in the facility. To promote the proper use of the facility, the following Facility Use Policy has been established to guide decision making and scheduling of such requests.

STATEMENT OF FAITH AND PURPOSE

GRC is a family united by the Gospel of Jesus Christ and desires to be a community marked by truth and grace. We strive to be faithful to the Holy Scriptures, and we are committed to extending the love of Jesus to everyone in our reach. We believe that life begins at conception and that each person is wonderfully and immutably created by God in His image, and is therefore entitled to be treated with love and respect. We also believe that by nature all people are sinners and in desperate need of personal salvation through faith in Jesus Christ. A person is truly set free from sin when reconciled to God through faith in Jesus Christ and when that freedom is used to pursue a repentant, godly and Holy Spirit-led life. Informed by our convictions, denominational standards, the reformed theological tradition, and above all the Holy Scriptures, it is our deep desire to make known Christ’s saving love, and to share His compassion with our neighbors and surrounding communities.

God has blessed Grace Redeemer Church with a spacious facility in Bergen County. Consistent with our core values, it is our responsibility and desire to use this facility - wherever feasible - to serve the people of the neighborhoods surrounding GRC and to promote community engagement. Thus, we welcome “outsiders” to consider using our facility for events and programs for which our facility might be a fitting venue. However, as a Christians whose conscience is shaped by the orthodox confessions of biblical faith, on rare occasion our conscience may not allow us that the facility be used in a way or by individuals, groups and/or organizations to promote agendas or convictions that conflict with our own. Thus, Session (board of elders) of GRC reserves the right to determine whether individuals, groups and/or organizations who would like to utilize our facility and/or whether the intended use of our facility are acceptable given our faith, theological convictions and biblical beliefs.

ELIGIBILITY FOR FACILITY USE

1. GRC services and programs will take precedence over any and all users requesting facility use. Regularly scheduled worship services, meetings, and activities have first priority followed by other church related meetings and functions. Facility use (which are non-profit or ministry related in nature) may then be scheduled.
2. Facilities are not available for partisan political campaigns.
3. A Certificate of Insurance must be provided by **all outside groups** to GRC for the purpose of covering liability and property damage or accidents that might occur on GRC property.
4. All users requesting use of GRC facilities must have and adhere to sexual molestation policies and procedures regarding minors. If User has such policies in place, GRC will review and must approve of the adequacy of such policy. If User does not have such policies, the User will be furnished a copy of GRC’s Child and Volunteer Protection Policy. They will be required to sign a written assurance that the policy will be complied with while on GRC property.
5. The Session (board of elders) will be the final arbiters to determine the use of GRC facilities when there is a question of eligibility.

3. If an event must be canceled, the church must be notified in writing (email facility@graceredeemer.com) within two weeks (one week for GRC Ministry Partners & Members) of the scheduled event date so the reserved areas may be reassigned. The reservation fee will be returned if the event is canceled.
4. Any event may be canceled or moved to another designated area by the Office Manager if priority necessitates use of the originally assigned area. Funerals and associated luncheons would receive the highest priority.

GUIDELINES FOR USE OF FACILITIES

1. The conduct of all persons is expected to be respectful of the environment of God’s house.
2. Smoking and the use of alcoholic beverages or other controlled substances is not allowed on GRC property.
